Personal Statement

I am Freelancer - highly experienced (15+ years) IT support specialist. I have individual activity under a business certificate. I could make a long-term or short-term cooperation agreement with the companies. For services I provide invoices, that are valid throughout the EU.

Competence

IT solutions for small and big (500+) companys: IT structure design, modernization, support, organization of work, data security solutions, temporary solutions in disaster.

Hardware and software: servers, workstations, peripheral, video surveillance, audio, GSM equipment, computer networks, virtualization (vmware, proxmox), MS Windows and Windows server OS, DOS, Android OS, programming basics (C #, C ++, php, html ...), programming project management, WEB solutions, hosting, e-mail, SEO solutions, content management systems (CMS Joomla), VPN, Fortigate, Mikrotik configuration.
