Personal Statement

I am easy-going, flexible, can work under pressure, always looking for new ideas, quick learning and responsible person. I quickly react to changes and adapt to them. Have strong mathematical, logical, analytical background. Always providing better result than it was expected. Keep on idea, that everything is possible. Not afraid of changes or responsibility.

Front-end / AngularJS developer. Working on web and mobile based projects mainly using AngularJS, JavaScript, JSON, HTML5, CSS3 (responsive design). Working in agile (Scrum) environment.
