Aprašymas

We are looking for a **data-driven Business Analyst** to join a banking project focused on compliance gap closure. The role involves working across multiple reporting and monitoring areas, supporting the development of various reports, and ensuring data accuracy and availability.

Role Overview:

- **Project/Client:** banking
- **Location:** Baltic States + Poland
- **Start Date:** ASAP
- **Duration:** EOY

Must-Have Requirements:

- Strong business analysis skills to clarify business needs, define goals, and document requirements based on internal standards.
- Proficiency in SQL, with the ability to query data warehouses and verify data sources.
- Previous experience in banking is an advantage.
