Aprašymas:

Hi,

We are an innovative tech company with both in-house consultants as well as consultants that are working with our different clients.

We are now looking to expand with different types of roles such as developers (Java, Javascript, fullstack etc) and developers within android, IOS as well as security experts.

Most of our clients are located in Sweden and you have to be willing to travel to Sweden monday-friday and work here.

We would cover the cost for travel and apartment/hotel.

We offer a very competitive salary/hourly rate.
