Description:

The Challenge

We are looking for creative, driven mid .NET developer who thinks in solutions and gives direction towards successful software products. By taking this challenge you will work in a team on the platform which helps streamline internal and external processes from Exact Globe, Synergy Enterprise and Exact Online.

Development is done using MS Azure, C# .NET, Exact Synergy.

With our customer, Present Connection already developed several solutions. For example:

- Portal Builder

In

Dutch: <https://adviesie.nl/oplossingen/adviesie-solutions/portal-builder>

- Several Webshop connectors

In

Dutch: <https://adviesie.nl/oplossingen/adviesie-solutions/webshop-connector>

What you need to succeed

- You have at least 3 years of .Net development experience

- You like to code and are a developer with 'Ready, Set, Code' and .Net, C#, SQL experience.
- MS Structured Query Language', writing of SQL Statements and the database objects are no secret for you.
- You know or are interested in business processes and you want to learn how to implement business solutions in Magento or e-Commerce, Exact Globe and/or Exact Synergy.
- You are analytical, communicative, proactive and like challenges. What you don't know yet, you will know soon.
- You think pragmatically and find creative solutions
- You are a team player
- Your English and communication skills are great
- You are proud of what you do and you want to be good on a technical level

We offer

- Opportunity to grow by working with international project
- Conditions to skills improvement by attending conferences and complying technological certificates
- Competitive salary
- Liberal and result-oriented approach to work
- Positive, energizing and fun environment
- Xbox Kinect game breaks, free snacks, lunch on Fridays, Staff parties and much more
