Personal Statement

I'm very passionate about modeling, texturing, lighting and animation. Especially developing characters and environmet. I have deep passion to films, photography, artwork and video games, which is where most of my inspirations originate. I'man enthusiastic, self-motivated, challenge-seeking artist. I'm always pushing myself looking for a new adventure. My goal is to keep pushing myself both at work and as an individual, keeping myself up to date in this industry.
