Product Owner

Junior (1-2 years experience)

Working (Hit me with offer) | Vilnius, Lithuania

Sector Background

Bank&Finance, IT Company

Preferences

Location

Vilnius only

Current status

Working (Hit me with offer) (Updated: 1 hour ago)

Personal Statement

For the last year and a half I have worked as a developer for .Net projects, previously have done support. In the recent months I have made a decision to move into Product Owner / Business Analyst role as I am more confident in the role. For the future I am searching for Product Owner roles in IT firms.
