Personal Statement

More than 6 years experience in programming with different languages. 1 year of experience working in international tech company as Full stack developer and almost 2 years of experience working international web development company as project manager and developer. I am still working as freelancer in my spare time.

I am talkative, social active and highly motivated person, always looking for new challenges.

You are always welcome to contact me and we can meet up for cup of coffee to have a small talk!
