## Description:

Cyber Security Specialist would be responsible for the overall cyber protection of Bankera by employing a range of technologies and processes to protect sensitive business information and data from unauthorized access, leaks, theft, duplication and modification.

### Responsibilities:

- Design and implement cyber security standards, requirements and good practices
- Identify potential cyber security weaknesses and ways to eliminate them
- Ensure accurate security tools are running properly
- Oversee identity and access management, including monitoring abuse of permissions by unauthorized users
- Monitor cyber attacks, intrusions and unusual, unauthorized or illegal activity
- Research and evaluate emerging cyber security threats and ways to manage them
- Stay up-to-date with cyber security practices
- Cooperate with various teams across Bankera in relation to cyber security issues

- Give advice and guidance to staff on cyber security matters, i.e. spam and unwanted/malicious emails

### **Requirements**

- Previous experience as a Cyber Security Specialist or similar role (previous experience in FinTech would be considered an advantage)
- Knowledge of patch management, firewalls and intrusion detection/prevention systems
- Familiarity with security frameworks and risk management methodologies
- Proficiency in English (spoken and written)
- Programming skills are preferred
- Higher education degree in IT or related field (would be considered an advantage)
- Analytical mind with strong problem-solving and decision-making skills
- Excellent organizational, communication and interpersonal skills
- Attention to details
- Determination and persistence
- Responsible, organized and self-motivated

### **Company offers**

- Flexible working hours
- Competitive salary
- Modern offices and solid IT infrastructure
- Professional and personal development
- International and talented team
- Employee referral program
- Great team-building events

Confidentiality guaranteed. Only selected candidates will be informed.
