Aprašymas

HitContract client is an iGaming publishing group with a team of over 200 motivated and hardworking individuals based across the globe. Company comprises three affiliate brands (Oddschecker, WhoScored, CasinoSmash) and a digital media agency (VIME) with offices in the UK, Barcelona and Lithuania, and products operated in regulated markets across the world, including in the UK, USA and across Europe.

You will be supporting digital media agency VIME which offers a full range of digital marketing.

Responsibilities:

- Support internally developed tools for ensuring smooth and efficient VIME daily operations and planned future growth
- Work closely with VIME team to understand their needs & tools/process inefficiencies, offering possible tech solutions and working on their implementation
- Work in Agile (Kanban) environment
- Integrations with external APIs

Stack:

- PHP & PHP/Symfony (or working experience with any other framework)
- MySQL
- Javascript (jQuery)
- HTML / CSS

- Git

Company offers:

- Private health insurance (one of the best in the industry! promise)
- Accident insurance
- Snacks and beverages all day long
- Opportunity to travel across offices
- Truly open and flexible environment (flexible working hours, hybrid working model)
- High performing and growth-oriented environment for employees (1on1 culture, online training courses, conferences, office library, performance appraisals)
- Supportive and caring culture (Selfcare day, Employee Assistance Program, supportive team leads)
- Stress-free relaxing zones with xbox, fun colleagues, sports challenges
- Social Events, Christmas and Summer parties, poker evenings, Halloween celebrations
- Meet Jack Russel Terrier, Shetland Sheepdog, Spaniel, Basenji or Bichon Frise in the office to brighten the day even more!
- Bicycle storage and showers
