## Personal Statement

I am an active and self-motivated front - end developer from Kaunas. I have 5 years of experience in professional development of Front-End design using HTML(5), CSS(3), LESS technologies. I am familiar with jQuery, twitter Bootstrap, AngularJS frameworks. I have experience in working with both, long and short term projects, delivering clean HTML, CSS code. I consider myself as a team person that has no difficulties in communicating with co-workers.
