Personal Statement

Senior IT professional and comprehensive manager with over 12 years proven track record in project management. Extensive 14 years experience in IT on constant business improvement in retail and banking sectors with focus on customer satisfaction by developing new products, as well as optimizing existing solutions and processes. Led internal and external IT teams for more than 10 years. Motivational management style and attitude of a strong business owner, strive me and my teams to deliver desired results in any kind of challenges. Huge passion to digitalization and disruptive IT technologies helps to choose modern, cost effective and reliable IT systems and tools.
