

# Java Consultant

Expert (+10 years experience)

**Available Now** | Warsaw, Poland

## Sector Background

Bank&Finance, IT  
Company, Insurance, E-  
Commerce, Public  
Sector, Technology  
Startup, Not Specified

## Preferences

### Location

European Union only

### Current status

Available Now (Updated:  
37 minutes ago)

## Personal Statement

Experienced java developer, analyst, designer.

So I am looking for a job in contract form - partly remote  
(more-less: 70% office, 30% remote).

Obviously, the initial introducing period of time into  
project, I am able to work 100% from office.

Please, take above information, in consideration of my  
candidacy.
