Personal Statement

As a highly motivated and result orientated IT Support specialist within Barclays IT sector, I have a proven track record of delivering expertise support for all types of incidents and requests reported to the Barclays IT Service Desk and in addition, initiating, coordinating and managing the delivery of global service as Shift Lead.

Currently I am looking for a position in an organization where I can bring immediate value with my current IT Support skills and develop them further by obtaining new technical knowledge and increasing my managerial skills threw project work.
