## Personal Statement

I'm Gediminas Gabsevicius, a Lithuania-area Web Developer. I've had the privilege of working with some amazing artists in the area and building some really awesome websites with them. I hope you take the time to look through my portfolio - <http://facebook.com/wprogramuotojas>.

As far as programming, I specialize in PHP/MySQL programming, WordPress, CodeIgniter, and ExpressionEngine.

I also code in the Java programming language when I develop Web Bots, Web Automation, and Web Scrapers using the Selenium Java Library.
