## Personal Statement

I am attentive listener , great communicator, both orally and in writing. I think, for me, is characterized by analytical thinking-on receipt of the difficult task of trying to analyze it, to understand the causal links, so that I can improve and accelerate the processes already, to initiate the changes.

In the context of very intense work, I can choose priorities and I can supervise multiple projects underway at the same time.

I can mention one of my successful projects completed, to perform the įsipareigojau.

In carrying out the task of pasižymiu a non-traditional approach to the problem, often I can offer at least a few variants of decisions.
