Description

New opportunity for Freelance MS Dynamics 365FO configurator and consultant.

About Danske Group IT

They are a part of an organization, which delivers world-class digital financial solutions to customers. They have an understanding that the current change is Technology-driven, and they prioritize IT as a key component for success in their journey to drive digital disruption in the bank. Their teams work with complex tech challenges and develop Danske Bank's global competitive edge on innovative digital solutions. Teams are driven by job content, share ownership of strategic services, own service strategy and lead improvement. One more important feature – senior leadership is present on site Two squads in Finance Tribe currently are transforming their ERP platform from Dynamic AX 2009 to a modern set-up with MS Dynamics 365FO. To help us on this journey they are looking for Dynamics 365 Finance & Operations Configurator-Consultant to prepare functional design documents, set-up and configure the system based on gathered business requirements. Consultant will join a team of developers, configurator, BI Engineers, DevOps, IT Systems Analysts and Business Analysts - all working in a cross-functional and self-managed agile squad.

Responsibilities

- Work with functional installation, configuration, and user acceptance testing

- Develop functional design document (FDD)

- Train Key users, support go-live and improve processes post go-live

- Do business analysis, functional requirement gathering and process mapping

- Work with D365 FO, AWS, Dynamics AX, JIRA, ServiceNow

Requirements

- Experienced as an implementation consultant or system analyst in the functional implementation of Dynamics 365 FO

- Have a firm understanding of D365FO

- Have diverse business process understanding in either finance, accounts payable, supply chain or sales.

- Have End to end system implementation cycle ability, from analysis/ design through to go-live

- SQL skills are nice to have

- Experienced working in Agile environment is nice to have

- Have good English skills

Years of experience: 5+

Preferred start date/end date:

- Asap. For 6 months with further prolongation

Company offers:

- An inspiring environment in a large IT organization

- Work in an international team, which concentrates on innovative business-facing solutions

- An extensive training program to ensure that your skills are maintained and updated on an ongoing basis
