Personal Statement

I am an experienced Senior Developer with a proven track record of success in the development and implementation of bespoke software systems for businesses operating in the governmental, e-Learning and telecommunications sectors.

My key strengths include:

- Strong pro-active leader
- Preparing technical requirements and specifications for software applications
- Development project management
- Quality control of development
- Implementing new technologies and standards
- Post implementation software support in a live environment

I am currently available and if you would like to discuss in any more detail please do not hesitate to contact me.

Kind Regards,
Jonas Sarunas
