Personal Statement

I`m a high qualified specialist in the field of programming, design, layout, optimization and copyright. The main purpose on my job is to provide you with regular customers from the Internet using an effective website.

 I am ready to create a presentable, effective and profitable website for you!

 In my work I use HTML, CSS, PHP, MySql, Java-Script, jQuery, framework Laravel. I have experience developing sites on PHP+MySql. I work in CMS: WordPress and OpenCart.

 The design programmes where I have excellent skills:
1) Adobe illustrator
2) Adobe photoshop
3) Adobe After Effects
4) Corel Draw
