Description:

At this moment our growing Cloud team is looking for Cloud service consultant!

What you are going to do:

- Provide technical support to Microsoft Dynamics NAV/Business Central partners, that are using Microsoft Azure to host their customer solutions
- Participate in 1ClickFactory Self-Provisioning for NAV/Business Central on Azure platform testing
- Deliver Microsoft Dynamics NAV/Business Central on Microsoft Azure trainings for partners
- Always think of the ways to improve the Self-Provisioning platform

What we would expect from you:

- Good English skills
- Attention to details
- Good problem solving and organizational skills
- Eagerness to perpetually update your knowledge

- Ability to work independently
- Technical background and IT or other exact science education

About us:

1ClickFactory is a Dynamics 365 software factory. Our high-quality Microsoft Dynamics 365 upgrade, development, and training services, together with our leading Microsoft Azure managed hosting service, help Microsoft Partners offer better business value to their customers delivering solutions on-premises and/or in the cloud. We exclusively serve Microsoft Partners whom we help reduce financial risk, increase scalability, shorten project time, solve resource shortage and increase cost predictability, leading to higher profits and greater revenues. Unlike the traditional ERP upgrade service providers who offer this type of service through 1:1 sourcing of people, 1ClickFactory takes responsibility for the projects, uses automation tools and has performed 500+ Dynamics NAV and Dynamics AX upgrades, 300+ development projects and serves 5,000+ NAV users on Azure. 1ClickFactory is a Microsoft ISV Development Center that is Gold Certified in Enterprise Resource Planning, Application Development and Cloud Platform. We are a global business currently delivering our services to 300+ partners in 40+ countries
