Aprašymas:

BetGames.TV is an international developer and distributor of interactive (LIVE) and innovative gaming products for betting business (B2B). Our games combine traditional betting with popular lotteries and table games and are simple enough for players to easily catch on to the idea. BetGames.TV company became a pioneer in 2012 and has been increasing in popularity ever since thus becoming a market leader. Our services are used by online and land based betting operators worldwide in more than 30 countries.
